TUTORING RESOURCE

SUMMER 2024

Does Your Child Need a Tutor?

If you are looking for a tutor for the Summer for your child, the LISD has compiled a list of individuals who have responded to a questionnaire indicating they are offering tutoring services for various grades and subjects. This list will be updated as more individuals respond. If you are interested, please feel free to contact any of the individuals on the list to make arrangements and discuss details.

This tutor list is provided as a convenience for informational purposes only. The individual tutors identified on this list are not acting in their capacity as employees, contractors, agents, or representatives of the Lenawee Intermediate School District (LISD) or any LISD constituent school district (Addison, Adrian, Blissfield, Britton Deerfield, Clinton, Hudson, Madison, Morenci, Onsted, Sand Creek, and Tecumseh) in the provision of tutoring services. Any tutoring service relationship must be established between the tutor in his/her individual capacity and the student/student's parents or guardians. The LISD and the LISD's constituent local school districts expressly disclaim any responsibility or liability associated with the provision of tutoring services by any of the individuals listed here.

Tutors are responsible for verifying that the provision of tutoring services will not violate the terms or conditions of the tutor's employment contract and/or employer's policies and/or administrative regulations.
