5100 Student Rights

5104 Age of Majority

State law recognizes students are adults at age 18 or when otherwise legally emancipated. Except as noted below, all Board Policies, applicable codes of conduct, and any other applicable rules or behavioral expectations apply to all students regardless of age.

Unless inconsistent with a court order, students who are 18 years or older or legally emancipated may:

A. access or control their student records as provided by law;

B. make decisions related to special education and Section 504;

C. request a personal curriculum;

D. represent themselves during disciplinary conferences;

E. have other rights or privileges as determined by the Superintendent or designee;

Eligible students who wish to assert these rights must notify the building principal in writing. Otherwise, sections D-G above will not apply. The building principal or designee may notify an eligible student's Parent that the eligible student has exercised the rights listed under this Policy.
