5213 Personal Protection Orders Against Students

If a student obtains a personal protection order against another student in the same building, either student's Parent should notify the building principal and provide a copy of the order. The building principal or designee may work with the families to change class schedules, lockers, lunch assignments, or bus assignments of either student. While the District will seek to work collaboratively with both families, the District will not enforce a personal protection order to which the District is not a party.

The existence of a personal protection order does not diminish a student's rights under state or federal law.

The existence of a personal protection order alone is not a sufficient basis to exclude a student from school. The District reserves the right, consistent with Policy 5411, to determine the educational placement of a student who is the subject of a personal protection order.
