## Series 5000: Students, Curriculum, and Academic Matters

### 5400 Curriculum, Instruction, and Parent Involvement

### *5406 Title I Funds*

The District will use Title I funds (including Perkins V funds) to supplement, not supplant, state and local funds that would, in the absence of Title I funds, be spent on Title I programs. The District will ensure that Title I funds will not be used to provide services that otherwise take the place of public education services that are to be provided to all students. A student's eligibility for Title I services may not disqualify the student from any service for which the student is otherwise eligible.

The District will maintain records of Title I-funded professional development. The Superintendent or designee will ensure that professional development is aligned with the needs of the District's Title I programs. Title I-funded professional development will not duplicate that which is funded from other sources and which, in the absence of Title I funds, would be provided to all staff.
