Series 5000: Students, Curriculum, and Academic Matters

5400 Curriculum, Instruction, and Parent Involvement

5410 Commencement

The District may conduct a commencement ceremony for eligible students at the end of the school year. Participation in the ceremony is a privilege, not a right. The Superintendent or designee may prohibit students from participating in the ceremony as a consequence for misconduct. A student's disqualification from participating in the commencement ceremony does not impact the issuance of a diploma to the student, provided that all graduation requirements have been satisfied.

"Eligible students" means those students who have completed all District graduation requirements or who have received a certificate of completion.

A student may participate in only 1 commencement ceremony.
