5802 Student Transportation

The District may provide student transportation to and from school.

If the District provides student transportation to and from school, the District is not required to transport or pay for transportation for a student who lives within 1.5 miles of the student's school by the nearest traveled route.

The District may establish and require students to use bus stops. The District is not responsible for supervising students at bus stops, before the bus picks the student up for school, or after the student disembarks at the end of the student's school day.

A student's failure to comply with Board Policy, applicable codes of conduct, and any other applicable rules or behavioral expectations while using District-provided transportation, including while at a designated bus stop, may result in disciplinary action and exclusion from District-provided transportation.

A student does not have a right to District-provided transportation. Nothing in this Policy, however, diminishes any right a student with a disability may have under state or federal law.
