

Strategic Plan Summary • 2021-2026

Vision Statement

The vision of Addison Community Schools is to prepare confident students in making positive contributions to the global society and the community in which they live

Mission Statement

The mission of Addison Community Schools is to provide a well-balanced curriculum and learning environment, supplemented by enriching experiences in order for all learners to be successful

Beliefs

- A strong, well-rounded academic and extracurricular program is imperative for high student achievement
- A safe, orderly, and predictable environment that is also enjoyable promotes learning
- Having a balance between maintaining a solid foundation of technology with being on the cutting edge promotes high student engagement in learning
- Building a culture of collaboration and providing frequent and timely communication among all stakeholders, will create meaningful partnerships between the school and community
- All children and families have the right to effective instruction, and the responsibility to learn, progress, and experience success

STRATEGIC GOALS

Student Achievement

Goal Statement: Provide instructional procedures and programs to increase student achievement and engagement.

Objectives:

1. Provide opportunities for staff to enhance their professional growth.
2. Provide opportunities to enhance student growth and proficiency.
3. Provide classes which enhance college and career readiness opportunities.
4. Provide intervention services and enrichment opportunities for all students.

Technology

Goal Statement: Provide quality technology to support curriculum, instruction, operations, and communications.

Objectives:

1. Provide technology to enhance teaching and learning for both staff and students.
2. Develop and implement a plan for a replacement cycle for all devices.
3. Develop and implement a plan to offer training opportunities to students and staff on current devices.
4. All classrooms to have technology accessible that will provide a 1-1

Finances

Goal Statement: Develop and sustain effective and efficient use of all resources for improved student achievement and fiscal responsibility.

Objectives:

1. Develop methods to communicate the financial health of the district to all stakeholders.
2. Maintain guidelines and procedures to ensure all federal and state requirements are met.
3. The administration will explore ways to sustain or increase revenue.

Communication, Community Engagement, Marketing

Goal Statement: We will improve communications and involvement among staff, students, parents, and the community to make Addison the Top choice academically and athletically in the area.

Objectives:

1. Maintain and establish a variety of methods for two way communication with parents and community regarding critical issues.
2. Maintain and strengthen parental involvement in school community.
3. Connect with non-school community members to become invested in the district.
4. Continue to increase ways to improve student enrollment

Learning Environment/Facilities

Goal Statement: Addison will provide safe and functional learning environments that meet the individual needs and diverse learning styles of all students.

Objectives:

1. Build upon the district wide character education program.
2. Develop a process for assessing need of district property and equipment.
